## *When We Lose a Loved One*

*When we lose a loved one  
Our world just falls apart  
We think we can't carry on  
With this broken heart  
Everything is different now  
You're upset and you're annoyed  
Your world it seems is shattered  
There's such an awful void  
There's got to be a reason  
And we have to understand  
God made us and at any time  
He'll reach down for our hand  
There might not be a warning  
We won't know where or when  
The only thing we're certain of  
Is we'll meet them once again.*
