I'm Resting Now

I lived this life,
I loved you all,
I did what I could do,
I'm resting now, in peace with
the Lord,
But my spirit shall always be
with you.

The love I had for each of you,
Even death can't take it apart,
For I took that love along with
me,
Embedded in my heart.

Don't worry about me,
Because I'm resting now.
