Dear Family & Friends,

When tomorrow starts without me
And I'm not here to see
If the sun should rise and find your eyes
All filled with tears for me

I wish you wouldn't cry
The way you did today
While thinking of the many things
We did not get to say

I know how much you love me
As much as I love you
Each time that you think of me
I know you will miss me too

When tomorrow starts with out me
Please try to understand
That an angel came and called my name
And took me by the hand

The angel said my place was ready
In heaven far above
And that I would have to leave behind
All those I dearly love

But when I walked through Heaven's Gates
I felt so much at home
When God looked down and smiled at me
From his golden throne

He said this is eternity
And all I promised you
Today for life on earth is done
But here it starts a new

I promise no tomorrow
For today will always last
And since each day's the exact same way
There is no longing for the past

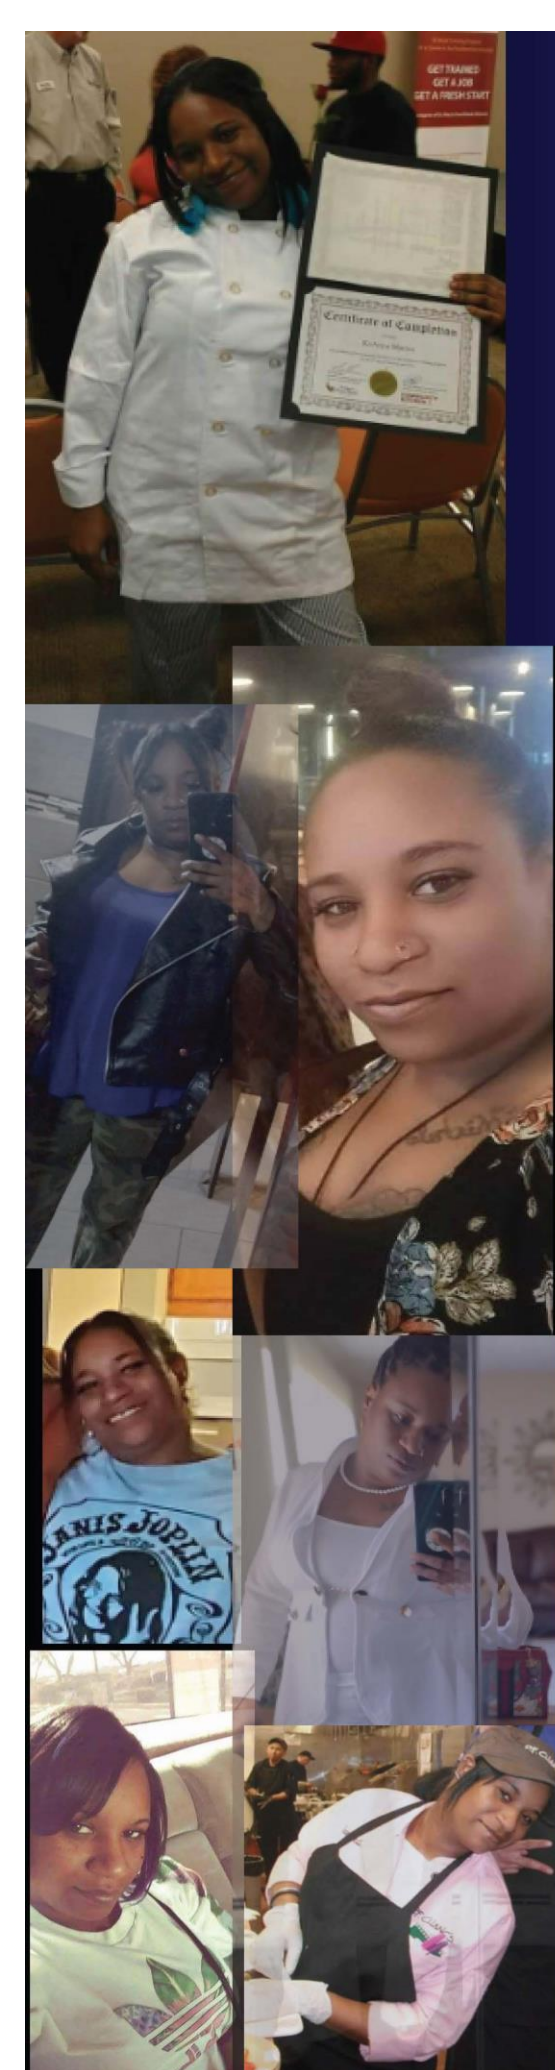

So when tomorrow starts without me
Do not think we're apart
For every time you think of me
Remember I'm right here in your heart

Ke'Anya (Chef Key)

Born in Detroit Michigan to Michele Martin-McCord and Marcus Moore Key spent her life in many different ways, with many people, in many places as someone who loved to travel. She was a mother, daughter, sister, cousin, aunt, friend, partner and acquaintance. In her earlier years she attended Birney elementary school, Guess middle school, and Cooley high school. Into adulthood her network of friends and family stretched over the US from Detroit to the west coast, down to Florida and some of everywhere in between. To know her was to love her and to love her was to have laughs that took all the oxygen you had, optimism that sometimes borderlined insanity, experiences that tested your fears and memories that will now last us a lifetime, On her journey were many milestones. Of those milestones were her most cherished accomplishments. She welcomed her beautiful baby girl into the world & soon after her dreams of becoming a chef came true as she completed culinary school. She traveled with Pf Changs across the country opening multiple stores. As she returned to Columbus she continued to excel holding leadership management positions in retail and customer service. Later, she went on to starting her business You Be The Judge that left you fulfilled and trying to pin point her recipes. She watched her only daughter graduate high school and continue on to college.

Her life was spent traveling, cooking with other chefs, and being surrounded by love from friends and family like anyone she faced her challenges but her life was full. There will not be a day that goes by where her presence won't be longed for, the memories she's created with so many of us won't come to mind, or her jokes won't be missed.

For now it's see you later beautiful.

I love you auntie Amika

Auntie
We spent years together, growing & learning. Every conversation I'll cherish forever but I'd hate to say you forgot to tell me one thing. That's what to do here...What do I do no? . I'm not prepared for a life without you. My life is forever altered without your smile in it. I haven't found peace on why it couldn't be a little while longer, one more laugh, a hug, What I'd give to hear hear you say hi niece just once more but what I do know & what I can promise you is that your baby girl will be good. The last time we talked I told you I gotchu & I meant that. I love you Ke forever.

Grandmother

When the work of life is done God just cut the human cord that the human boat can sail on smoother seas, let her noble life be inspiration and strength unto us.
Love daddy

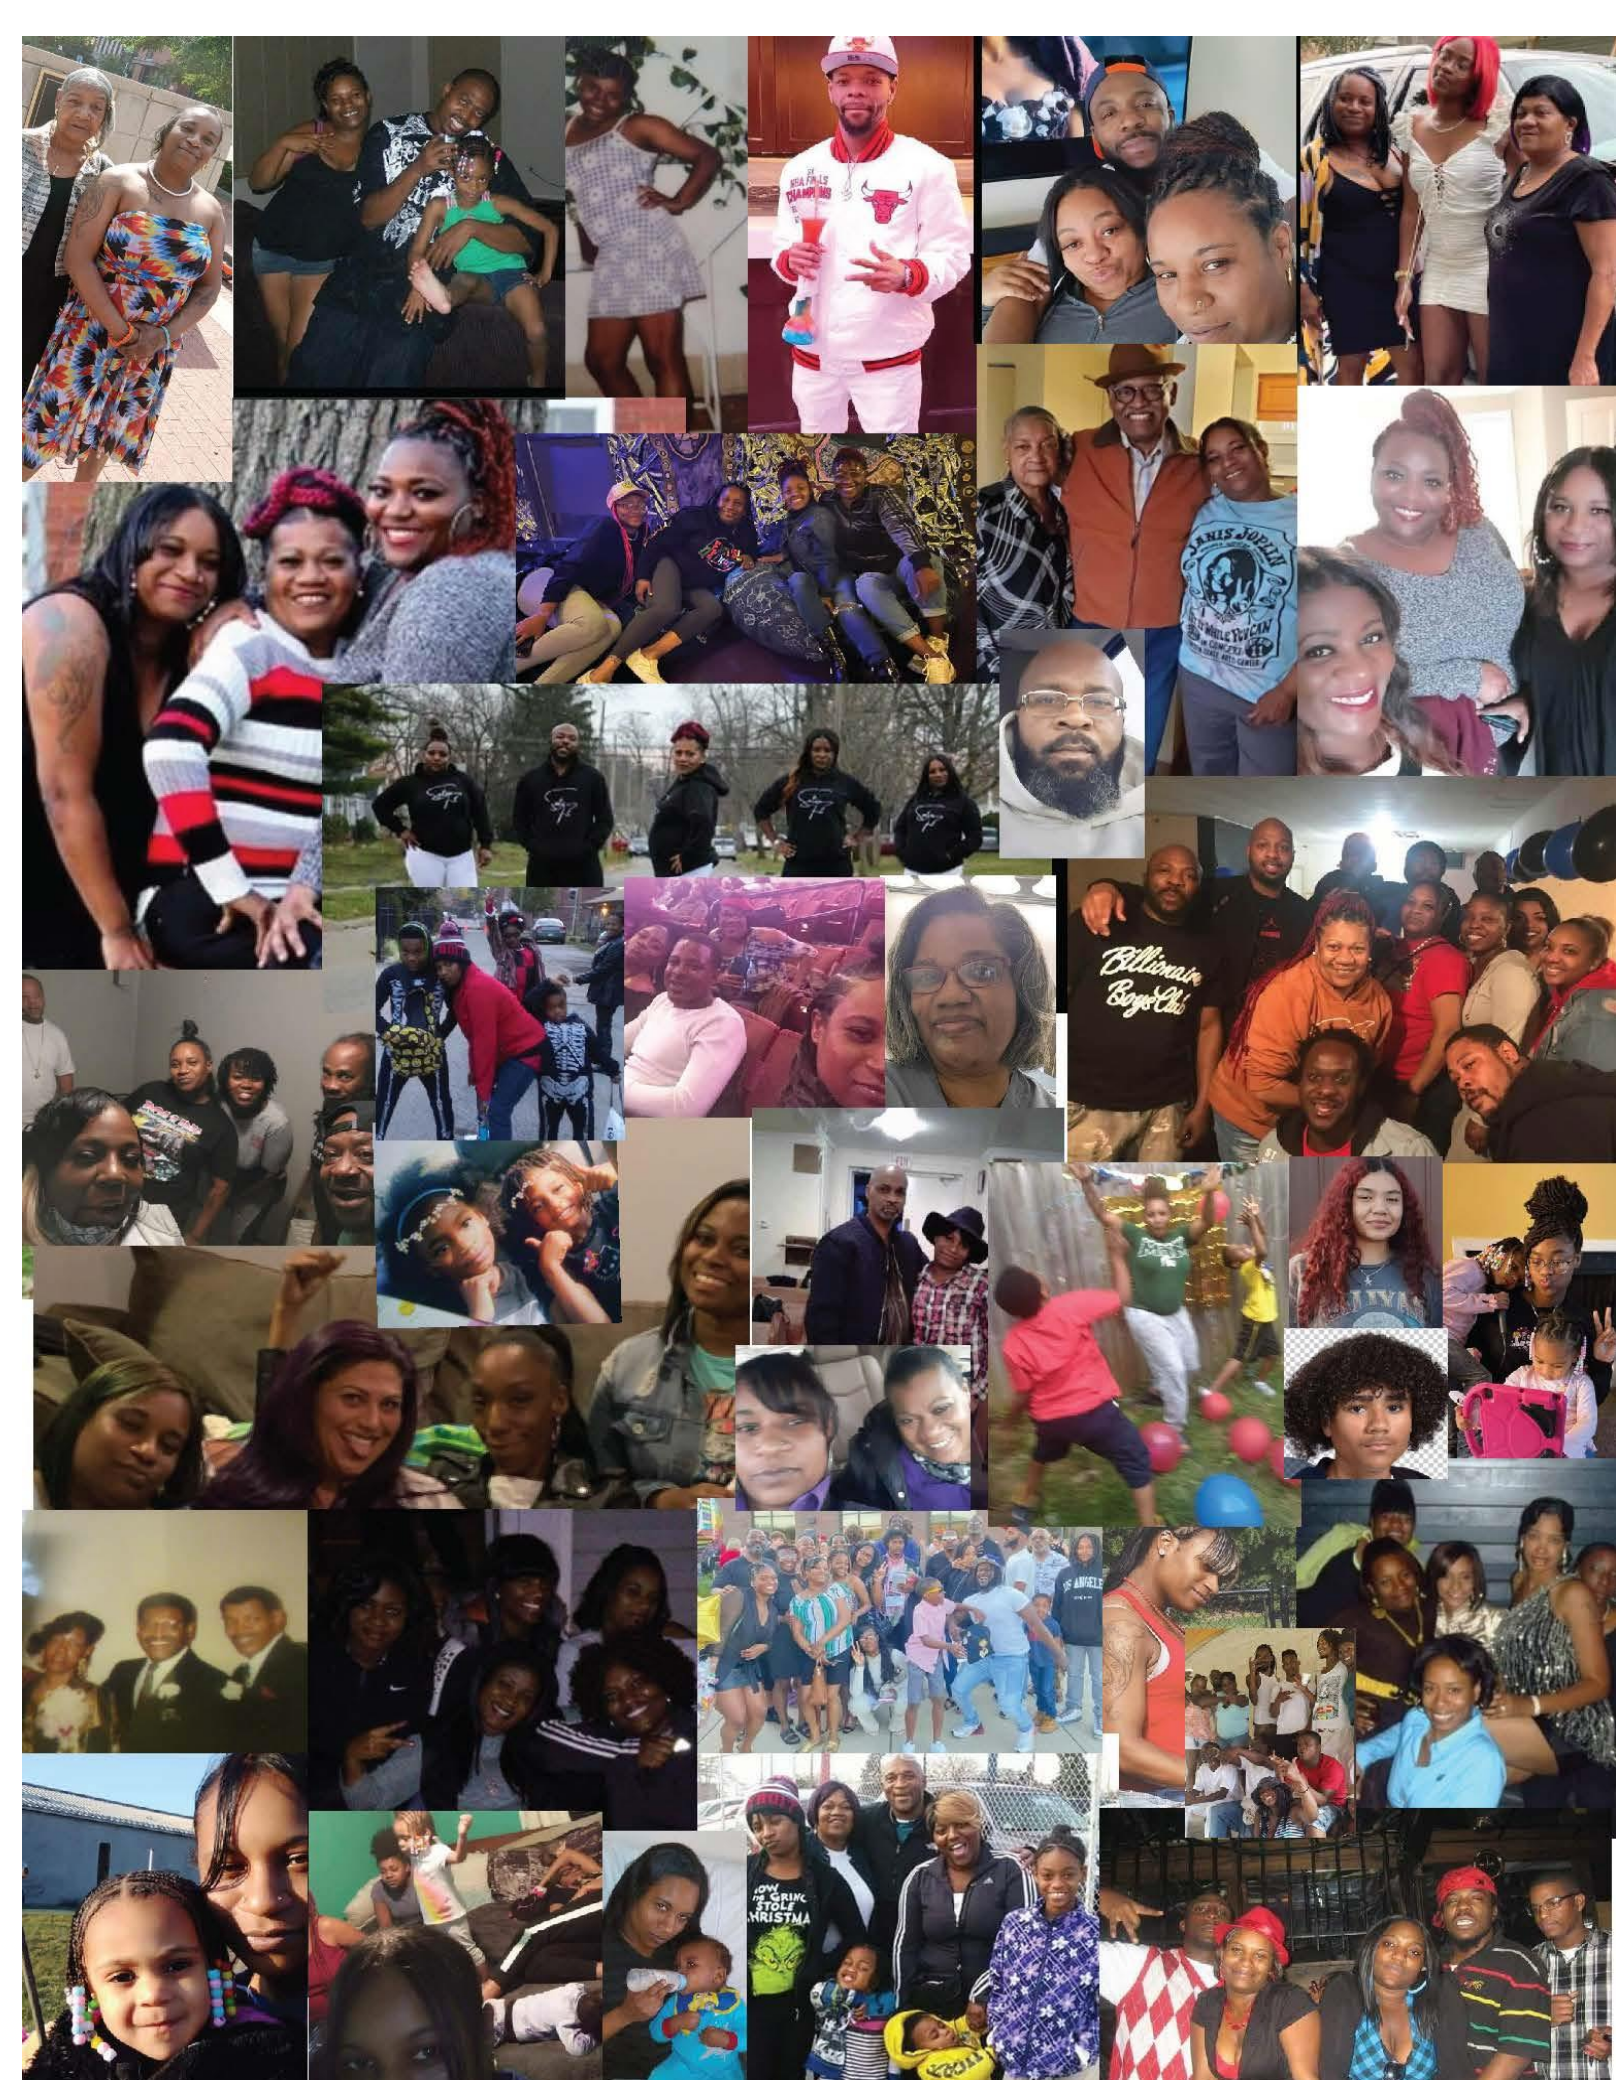

Mommy

I'M YOUR ONLY AND FAVORITE DAUGHTER LOL EVERYTIME YOU WOULD TALK ABOUT YOUR DEATH YOU WERE EITHER SAYING SHE WOULD NEVER DIE OR I WOULD SHUT IT DOWN BECAUSE IN MY HEAD SHE WAS IMMORTAL SO, ME SEEING YOU LIKE THIS IS VERY SHOCKING TO SAY THE LEAST. YOU WERE AN AMAZING PERSON THAT ALWAYS MADE EVERYONE AROUND YOU FEEL WELCOMED AND LOVED. YOU ALWAYS MADE JOKES AND WAS THE STRONGEST PERSON I KNEW. YOU MADE SURE I WANTED FOR NOTHING AND EVEN THOUGH I WILL SPEND MORE TIME WITHOUT YOU THEN I GOT TO SPEND WITH YOU I'LL FOREVER BE GRATEFUL FOR THESE YEARS. YOU ARE MY BEST FRIEND, MY VALENTINE, MY SANTA, MY EASTER BUNNY, MY TRAVEL BUDDY. YOU WOULD SOMETIMES TELL PEOPLE YOU MY SISTER AND SO MUCH MORE. I ALWAYS WANTED TO BE JUST LIKE YOU WHEN I GREW UP FROM ME PLAYING YOUR CHEF CLOTHES TO ME WORKING MY FIRST JOB ALONGSIDE YOU REALIZING I WASN'T MEANT FOR A KITCHEN.

IF WE ALL KNEW ONE THING IS THAT MY MOM LOVED TO HAVE A GOOD TIME AND SHE WANTED HER DEATH TO BE CELEBRATED SO AS WE ALL SIT HERE AND UGLY CRY WHICH SHE WOULD'VE TALKED ABOUT EACH AND EVERYONE OF OUR UGLY CRYING FACES I WANT EVERYBODY TO KNOW THAT GRIEF IS ONLY PRESENT WHERE THE GREATEST LOVES WERE.
I WOULD LIKE TO THANK EVERYONE FOR COMING AND SHOWING OUT!

-YOUR BABY GIRL

Big lil brother

I simply cant imagine my world without you in it together we laugh till we cry and cry till we laugh. We feel each other's joy and share each other's pain with a connection only sisters have. I am forever grateful that our relationship is a sisterhood of unconditional love and friendship. I thank God that you are my sister and thank you for being my friend.
