The Last Ride

*We stood and we watched as my Father and Brother rode by
It wasn't the way it should be
He rode not his bike, but in a long blue casket
And he rode by himself not with me.
But I shed not a tear for this Father and Brother of mine
For he lived free and loved his lifestyle
So ride on my Father and Brother and rest in peace
Till we meet again after while
And when our time comes to take that last ride
You can bet it'll be with a smile
Cause we love to ride and we'll be going home
So we'll enjoy it to the very last mile*
