

Acknowledgement

The family of Mi'heir Kishawn Jaimeer Wilson is extremely grateful for all acts of kindness displayed during this difficult time. Whether you sent a card or flowers, spoke comforting words, lent a shoulder whispered a prayer, or simply kept us in your thoughts, it has not gone unnoticed..

God saw you getting tired
and a cure was not to be;

So He put his arms around you
and whispered,

“Come with Me.”

With tearful eyes we watched you suffer
and saw you fade away.

Although we LOVED YOU DEARLY
we could not make you stay.

A GOLDEN HEART stopped beating
hard working hands at rest.

God broke our hearts to prove to us

He only takes the best!

Obituary

Mi'heir Kishawn Jaimeer Wilson, peacefully went to be with the lord on March 6, 2024. He was born to parents, Kiomii Yaniaa Sapphire Crumpton and Sidney Deshawn Wilson Jr. on October 26, 2023, at Grant Medical Center in Columbus, Ohio. Even though Mi'heirs time here was brief, he was able to leave us with good memories and enough smiles to last a lifetime. His mom would sing to him every morning and he loved it cause that huge no tooth beautiful smile would spread across his face. He enjoyed laying on his father's chest while he played the game and spoke in that familiar voice that he had conversations with while in his mom's stomach, getting ready to bless us with that smile and those wide beautiful eyes. Mi'heir had an I've been here already personality.

He smiled at the right times when you spoke to him, he loved compliments and when he was put in front of a mirror it was like he was checking his outfit and smiling like he approved. Mi 'heir was a little nosy and very stingy when it came to his mommy's time, he would cry while she left the room but when she walked back in, he would be knocked out with his mouth open somehow, but it made his mommy laugh. He was the master of power naps, give him 5 minutes of sleep and it was enough for hours of fake sleep, dozing off and fighting his sleep like a little old man while watching his shows, bluey and Cocomelon. He'd get excited and pull his dad's beard like he was pulling himself up and when we saw him stare at his aunt's hair with those beads we knew it was a matter of time before he went in for the pull.

He loved many things like bananas and scrolling your screen when you were right in the middle of watching something, but I hope whoever gets him next knows that he does not like car rides very much. Mi'heir was showered with love anywhere he went, especially from mom, dad and those little aunties who never stopped kissing, hugging and protecting him from everything. I have no doubt that he left us knowing he was cared for, appreciated and loved beyond measure. Though our time with you was short we smile at the memories you left us with, and we are so happy we were given the chance to love and get to know you Mi'heir.

Baby Mi'heir leaves to cherish his memory: his mother and father; his brother, Sidney DeShawn Wilson III; maternal grandparents, Precious Crumpton (Robert Hall) and William Reed; paternal grandparents, Sidney DeShawn Wilson Sr. and Lache' Terry; maternal great grandparent, Lavis Barber (Lay-Lay); paternal great grandparents, Sabrina Wilson and Charlotte Stewart; uncle, Giovanni Wilson; aunts, Takai Crumpton, Tori Ryan Crumpton-Hall, Naimaa Crumpton-Hall, Shawnise Wilson; special cousin, Mi'kyla Crumpton; godmother, Amanda Simmons; and a host of great aunts and uncles, relatives and friends who loved him dearly
