Our Mother

*Although we cannot hear your voice or see your smile no more,
Our mother walks beside us still just as she did before.*

*You listen to our cries and wipe away our tears,
You wrap your arms around us cause you understand our fears.*

*You're not visible to see with human eyes,
But when we talk to you in silence your spirit will reply.*

We will feel the love you have for us,

We will hear you in our hearts,

You left your human body, but our souls will never part.
