I'm Always There for You

Now you have an angel
A guardian up above
Looking ever watchful
A commitment of my love

Serving God and country
Is what I've always known
Examples all around me
And through this I have grown

All of us make sacrifices
It's just how much we give
There truly are no limits
It is how we're meant to live

Remember me with a flag that flies
The red, the white and blue
I'll be there watching over
Because I'm always there for you

Do not let your hearts be troubled. You believe in God, Believe also in me. My Father's house has many rooms; if that were not so, would I have told you that I am going there to prepare a place for you.
