To know him was to love him. If you were ever blessed to meet him or spend any length of time with him, you knew you were in the presence of someone special. He had a heart for people and loved to see others happy and their needs met. Dontarious had a love for the finer things in life. He was always impeccably dressed and traveled miles for the latest men's fashions. He was a trendsetter. He could always be found matching from head to toe even including his lighter.

Dontarious' smile would light up any room. He had an infectious laugh and a way of making everyone around him laugh. Words to describe Dontarious have included, friend, smart, funny, reliable, loyal, fun, consistent, respectful, helper, humble and overcomer. He often made sacrifices for others. While he will be greatly missed, we can be sure that his mom greeted him with the biggest hug and many kisses.
