Obituary

Taylour Simmone Crutchfield was born on March 12, 1999, in St. Louis, Missouri, to Cheryl Crutchfield and Lawrence Crutchfield.

Taylour was an extraordinary, loving, loyal and dedicated woman who gained her angel wings on January 4, 2024, in Houston, Texas. Taylour was loved by many for her free spirit and enduring love for family and friends. Taylour accepted Christ at a very young age, her true gift from God was her ability to love effortlessly, everyone, every day through any circumstance. She knew no stranger because she showed love to all.

Taylour graduated from Reynoldsburg High School May 19, 2017. She was a Certified Body Contour Specialist. She was self-taught stylist and she braided hair, in addition to being a makeup artist. She was a hard worker as a YouTuber, model, designed and made her own clothes, marketing advisor, website creator and business owner of Trantric.

Her true passion was dancing, traveling, cooking and was an artist in so many ways. Her passion for dance led her to participating on various dance teams; she was a member of the Synergy Dance Team which led to a National Championship. She also coached cheerleading for the Groveport Madison Youth Association and coached dance teams as well.

She found real joy in making others laugh, but also letting everyone know how she felt with a lot of love and conviction.

Zion, son of Taylour Crutchfield and David Oyawusi, gained his wings on January 4, 2024. Although Zion did not have a chance to meet his family and friends, he was truly loved and so many were excited for his arrival, but God wanted him more.

Taylour was survived by her parents, Cheryl Crutchfield, Lawrence (Monica) Crutchfield; and stepfather, Raymond Robertson; grandparents, Leonard (Diane) Utley and Bessie (Willie) Townsend; brothers, Tashawn Faulkner, Grayson Crutchfield and Raymond Robertson, Jr.; sisters, Lawrease and Destiny Crutchfield; and a host of nieces and nephews; special aunt, Lisa (Chuck) Tucker affectionally known as "Momtt" (mom and TT); and Tabby, her favorite little cousin.

Dr. Jimmy McFadden

BENEDICTION Dr. Jimmy McFadden RECESSIONAL..... Clergy, Family, and Friends

The word love has been abused and overused. People misuse the word love now it has just become a word to people. Love is when you feel their hurt and pain. You feel their joy and sadness. You all become connected with each other.

I want love so strong, we could be apart but yet still feel so close. Love so strong when you see him, you see me.

I want love that our souls and spirits are connected.

I want love so strong I don't have to say anything is wrong with me they just know.

I want love that never fails but love that gets stronger by the second.

I want to be in love with my best friend, my one and only.

Even though I may already have all of these things because God loves me like this.

I want God to send the perfect one for me that understands me and my flaws and will treat me like a Queen.

I never want a man to dog me or make me feel like less of a woman.

I need a man who holds me at night and do things that I can't do myself.

I want someone who's faith in God is amazing.

I want to be able to connect on a spiritual level.

I want to cry together, laugh together, be happy for once.

Someone who loves me for me and takes me as I am.

That's what love is for me

And now I know, you have true love in God...

Taylour saying goodbye is hard, it hurts so much. I have such good memories of you. I watched you blossom into a beautiful lady. I remember babysitting you for the first time and you were so afraid of sleeping alone. I didn't know what I was in for. I woke up with feet and legs all over my head, lol! I can't believe you are gone but just know all the sweet

memories of you, will always remain in my heart and mind. Love God Mother Jean Raybord
