The Broken Chain

*We little knew that morning
That God would call your name
In life we loved you dearly
In death we do the same*

*It broke our hearts to lose you
You did not go alone
For part of us went with you
The day God called you home*

*You left us beautiful memories
Your love is still our guide
And although we cannot see you
You're always by our side*

*Our family chain is broken
And nothing seems the same
But as God calls us one by one
The chain will link again*

EVANGELIST MARTHA BROWN

BENEDICTION/DISMISSAL Evangelist Martha Brown

*I am the resurrection and the life: He that believeth in me
though he were dead yet shall he live.*

And whosoever liveth and believeth in me shall never die.

John 11:25-26

Grandma,

*A baby cradled in your arms...
Teaching me your gentle charms.
Growing up with you by my side...
Learning from you never to lie.
To understand and not judge too...
Love and kindness I also learned from you.
Through the years you watched me grow...
Teaching me everything I'd need to know.
Listening to every word I've said...
And every word I've wrote you've read.
You've been there for me to the end...
Until the day for you, God did send.
Now you watch me from up above...
Shining down on me your heavenly love.
I will miss you with all my heart...
Thank you for being there from the start.*

For My Sister

Fannie

*Together we shared a child's world,
We talked.... Disagreed
We shared many hurts and joys,
The older we grew, the stronger,
the bond between us became,
I was always proud to have you as my sister.
Now life has taken us down separate paths,
but your well-being and happiness,
will always be foremost in my thoughts.
Neither the span of miles...
nor years between us...
can change the feelings I have for you.
I love you sister, and I always will.
Love Always, Janis*

Aunt Fannie

*Some Aunts have that special touch, they put your cares at ease.
They know just what to say and do to comfort and to please.
They're kind and very thoughtful; they're quick to understand.
Whenever someone needs them, they lend a helping hand.
Our world is such a better place, and happier by far,
Because there are some precious Aunts as special as you are.*

Love,

Kimson and Markkus
