

Life Will Never Be the Same

Life will never be the same
The moment you left me,
My heart was split in two.
One side was filled with memories,
The other side died with you.
I often lay awake at night
When the world is fast asleep,
And take a walk down memory lane
With tears upon my cheek.
Remembering you is easy
I do it every day,
But missing you is a heartache
That never goes away.
I hold you tightly within my heart,
And there you will remain.
You see, life has gone on without
you. But will never be the same.
