

Acknowledgement

Perhaps you sent a card or sat quietly in a chair. Perhaps you sent us beautiful flowers, if so, we saw them there. Perhaps you spoke the kindest words as any friend could say. Perhaps you were not there at all but just thought of us that day. Whatever you did to console our hearts, we thank you so much whatever your part.

The Broken Chain

*We little knew that morning
That God would call your name
In life we loved you dearly
In death we do the same*

*It broke our hearts to lose you
You did not go alone
For part of us went with you
The day God called you home*

*You left us beautiful memories
Your love is still our guide
And although we cannot see you
You're always by our side*

*Our family chain is broken
And nothing seems the same
But as God calls us one by one
The chain will link again*
