

Acknowledgement

Perhaps you sent a lovely card, or sat quietly in a chair. Perhaps you sent a funeral spray, if so we saw it there. Perhaps you spoke kind words, As any friend could say. Perhaps you were not there at all. Just thought of us that day. Whatever you did to console our hearts. We thank you so much, whatever the part.

Obituary

Creeshawna Renee Jordan was born on December 28, 1990 at The Ohio State University Hospital in Columbus, OH. She was the oldest child born to Darlene Yolanda Phelps-Drain and Timothy Jordan. Creeshawna accepted Christ at an early age, and was baptized in Jesus' Name, during her teenage years. Although she had no church home, she always spoke about the goodness of God and you could catch her sometimes engulfed in His Word.

She was baptized in her late teenage years at Living Water Church, in Columbus, by Bishop Les Sims, Pastor. She was familiar with many Pastors and churches in Columbus, on Mt. Vernon Avenue. She enjoyed the things of God especially being in the company of Ministers and Pastors.

Creeshawna was a joy and was taken from her family way too soon. She was a ball of fire, from the day she was born. Cree was a woman, beautiful inside and out and full of life. She loved her children more than life itself. Anyone who knew Creeshawna knew she loved to dance, draw, dress and do makeup. You could always catch her worshipping and talking about the Lord and giving a Bible verse. She had an infectious smile that could and would light up any room, a laugh that would bring laughter to your own heart, and dance moves that would put any choreographer to shame.

Creeshawna grew up in Detroit, Michigan and Columbus, Ohio. She was preceded in death by Ida Louise Milton (Maternal Grandmother). She leaves to cherish her memory: three children Aaniya Nova-Renee Jordan, Messiah Amir Jordan, Miracle Jordan, her mother: Darlene (Stephanie) Phelps-Drain, father Timothy (Brandia) Jordan. Siblings: Brittany Phelps, Dazia Hammond, Timothy Jordan Jr, Serenity Jordan, Chaz (Camila) Jordan, Jayden Jordan and Brandon Jordan; Aunts: Kimberly & Eva Milton, (Great Grandparents: Clyde & Mary Milton, all of Columbus, Ohio, Aunts and Uncles, Floyd Jordan, Jr. (Spanky), Shawnetta Milton, Ebony Milton, Natasha Milton, Carmen Jordan, Arketa Winters, Terrie Phelps, Charmaine Williams & over 100 cousins, and a host of family and friends.

What I wouldn't give for one more night, To tuck you in at nice and tight
I'd give you kisses and sing our song, And tell you I love you and to be strong
I'd tell you not to worry, and that we're all okay.
And even though I wanted to I couldn't make you stay.
I know that you are happy now, and you're in no more pain .
And this again I promise you your loss is not in vain.
So take my word here and now I make this to you my solemn voe
Forever shall I love you, and keep your memory
Until that day that once more, I can hold you close to me -author unknown-

"Creshawna- If I could take your place I would . You mean the world to me. I love you so much and I'm so sorry, but your memory will live on. I will be a mother of your children as long as I'm on this earth so don't worry. I will never get over this baby, I'm sorry I failed you & wasn't there to protect you. Please watch over us now. Until we meet again my love." Mommy

My mother Creeshawna Jordan was my one for all when she called, she lit my day when I see her I cried of happiness she is my piece of a broken heart I will forever miss her, I might not think about it in a few years but I sure will remember I won't cry anymore I know mama didn't want me to cry of her passing, So I won't, I might feel sad but I wont give up anything I will keep on moving like I know she would want. I feel so sad I wont be able to see her but I will be able to sense her here with me forever till I join her, she's here with me all of my siblings she loved everyone and she still does I'm happy she is going to rest in peace finally after all the pain I know she has been though. I'm happy she's up above the clouds looking down at us making sure we are okay her body may have passed but her soul lives on just like my dad said, so if your sad she's gone don't fret she's still here with all of you and she's her with me too, she misses all of you as much as she does me. My mother was a sweet woman you would not like to get on the bad side of but no matter the side she is a beautiful woman and she fell in love with my dad they had me and that the start of all of our stories all of our memories of her each and every one had a different meaning, all of them they all represented love and if they didn't I would think you would be lying because she is the most loving person I know she Was so sweet and to know somebody thought otherwise was very difficult for me as soon as the news hit me | felt ilke I should've gave up right there out I learned to think different because of all of my family consoling and telling me to move on and keep strolling that's how I understand it now because of my family 50 | thank you.

I love you C J and I love all of you too.

-Aaniyah
