## *Crossing Over*

Oh, please don't feel guilty  
It was just my time to go.  
I see you are still feeling sad,  
And the tears just seem to flow.  
We all come to earth for our lifetime,  
And for some it's not many years  
I don't want you to keep crying  
You are shedding so many tears.  
I haven't really left you even though it may seem so.  
I have just gone to my heavenly home,  
And I'm closer to you than you know.  
Just believe that when you say my name,  
I'm standing next to you,  
I know you long to see me,  
But there's nothing I can do.  
But I'll still send you messages and hope you understand,  
That when your time comes to cross over,  
I'll be there to take your hand.
