### *I'm Free*

*Don't grieve for me now I'm free,  
I'm following the path God laid for me.  
I took his hand when I heard him call,  
I turned my back and left it all.*

*I could not stay another day,  
To laugh, to love to work or play.  
Tasks left undone must stay that way,  
I've found that peace at the close of the day.*

*If my parting has left a void  
Then fill it with remembered joy.  
A friendship shared, a laugh, a kiss,  
Ah yes, these things I too will miss.*

*Be not burdened with times of sorrow,  
I wish you the sunshine of tomorrow.  
My life's been full, I've savored much,  
Good times, good friends, a loved one's touch.*

*Perhaps my time seemed all to brief,  
Don't lengthen it now with undue grief.  
Lift up your heart and share with me,  
God wanted me now, He set me free.*

## *WHEN I'M GONE*

*When I come to the end of my journey  
And I travel my last weary mile  
Just forget if you can, that I ever frowned  
And remember only the smile*

*Forget unkind words I have spoken  
Remember some good I have done  
Forget that I ever had heartache  
And remember I've had loads of fun*

*Forget that I've stumbled and blundered  
And sometimes fell by the way  
Remember I have fought some hard battles  
And won, ere the close of the day*

*Then forget to grieve for my going  
I would not have you sad for a day  
But in summer just gather some flowers  
And remember the place where I lay*

*And come in the shade of evening  
When the sun paints the sky in the west  
Stand for a few moments beside me  
And remember only my best*

## Crossing Over

*Oh, please don't feel guilty  
It was just my time to go.  
I see you are still feeling sad,  
And the tears just seem to flow.*

*We all come to earth for our lifetime,  
And for some it's not many years  
I don't want you to keep crying  
You are shedding so many tears.*

*I haven't really left you  
Even though it may seem so.  
I have just gone to my heavenly home,  
And I'm closer to you than you know.*

*Just believe that when you say  
my name, I'm standing next to you,  
I know you long to see me,  
But there's nothing I can do.*

*But I'll still send you messages  
And hope you understand,  
That when your time comes to cross over,  
I'll be there to take your hand.*
