Jesus said to her, "I am the resurrection and the life. He who believes in Me, though he may die, he shall live. And whoever lives and believes in Me shall never die. Do you believe this?"

The Final Flight

Don't grieve for me, for now I'm free. I'm following the path God has laid
for me.

I took His hand when I heard Him call. I turned my back and left it all.

I could not stay another day, to laugh, to love, to work, to play.

Tasks left undone must stay that way. I found that peace at the close of
day.

If my parting has left a void, then fill it with remembered joy.

A friendship shared, a laugh, a kiss. Ah yes, these things I too will miss.

Be not burdened with times of sorrow. I wish you the sunshine of
tomorrow.

My life's been full, I've savored much, good friends, good times, a loved
one's touch.

Perhaps my time seems all too brief. Don't lengthen it now with undue
grief.

Lift up your heart and share with me. God wanted me now, He set me
free.

I Miss You

You never said "I'm leaving"

You never said goodbye

You were gone before we knew it,

And only God knew why.

A million times we needed you,

A million times we cried

If Love alone could have saved you,

You never would have died.

In Life we loved you dearly

In death we love you still

In our hearts you hold a place,

That no one could ever fill.

It broke our hearts to lose you,

But you didn't go alone

For part of us went with you,

The day God took you home.
