Don't grieve for me, from pain I'm free
I'm following the path God has laid, you see.
I took his hand when I heard his call
I turned around and left it all.

I found the peace on a sunny day.
If my parting has left a void
Then fill it with remembered joys.
A family shared, a laugh, a kiss
Oh yes, these things I too will miss.
Be not burdened with times of sorrow
I wish you the sunshine of tomorrow.
My life's been full, I've savored much,
Good family, good times, a loved one's touch.

Don't lengthen it now with undue grief.
Lift up your hearts, and peace to thee.
God wanted me now; From pain I'm free.
