

Expressions of Gratitude

At this most difficult time, we are most thankful to the Lord for friends and family who have interrupted their schedules to pay their last respects to our dearly beloved. Your prayers, calls, visits, flowers, cards, food, and other expressions of sympathy have helped sustain us during this time of bereavement. May God richly bless and keep each of you.

The Broken Chain

We little knew that morning,
God was going to call your name.

In life we loved you dearly.

In death we do the same.

It broke our hearts to lose you, you did not go alone;
for part of us went with you the day God called you home.
You left us peaceful memories, your love is still our guide;
and though we cannot see you, you are always at our side.
Our family chain is broken and nothing seems the same,
but as God calls us one by one
the chain will link again.
