### George

Thank you for your unselfish love and understanding. Your loyalty and generosity. Your constant encouragement and concern, and for believing in me. I Love You.

*I could not stay another day  
To laugh, to love, to work or play.  
Tasks left undone must stay that way  
I entered rest a dawn of a new day*

*My life's been full, I savored much with  
Good friends, good times, loved one's touch  
Perhaps my time seemed all too brief.  
Don't lengthen it now with undue grief*

*Lift your heart and share with me  
I'm now with God; He's set me free*
