Footprints

One night I dreamed a dream.

As I was walking along the beach with my Lord.

Across the dark sky flashed scenes from my life.

For each scene, I noticed two sets of footprints in the sand,

One belonging to me and one to my Lord.

After the last scene of my life flashed before me,

I looked back at the footprints in the sand.

I noticed that at many times along the path of my life,

especially at the very lowest and saddest times,

there was only one set of footprints.

*This really troubled me,
so I asked the Lord about it.*

*"Lord, you said once I decided to follow
you, You'd walk with me all the way.*

*But I noticed that during the saddest
and most troublesome times of my life,
there was only one set of footprints.*

*I don't understand why, when I needed
You the most, You would leave me."*

*He whispered, "My precious child, I love
you and will never leave you*

*Never, ever, during your trials and
testings. When you saw only one set of*

footprints,

It was then that I carried you."
