WHEN I MUST LEAVE YOU

When I must leave you for a little while
Please do not grieve and shed wild tears
And hug your sorrow to you through the years
But start out bravely with a gallant smile
And for my sake and in my name
Live on and do all things the same
Feed not your loneliness on empty days
But fill each waking hour in useful ways
Reach out your hand in comfort and cheer
And I in turn will comfort you and hold you near
And never never be afraid to die
For I am waiting for you in the sky

SO GO AND RUN FREE

So go and run free with the angels
Dance around the golden clouds
For the Lord has chosen you to be with him
And we should feel nothing but proud

Although he has taken you from us
And our pain a lifetime will last
Your memory will never escape us
But make us glad for the time we did have

Your face will always be hidden
Deep inside our hearts
Each precious moment you gave us
Shall never, ever depart

So go and run free with the angels
As they sing so tenderly
And please be sure to tell them
To take good care of you for me
